CATALOG
FOR MORE
DETAILS.

YOU'LL NEED A
LAUNCH SYSTEM
to conduct flying sessions.
Here are three easy ways to
obtain one:

- BUILD IT—The 12-pack
includes plans for making
a simple launcher from
inexpensive, commonly
available hardware.
- BORROW IT—Chances
are at least one group
member or relative already
has one to loan.
- BUY IT—A Centuri
launcher is your best long
term solution.

EDUCATOR DISCOUNTS!
